TO ALL INTERESTED IN THE QEG PROJECT

Thank you for your patience in awaiting a reply on your inquiry of the QEG coil.

Torelco is working with FTW on best pricing available. Torelco will be offering a complete coil which includes core (including rotor), all insulation and copper windings.

One piece price \$2,995.00 USD with delivery starting 5 weeks after receipt of order on first come basis. F.O.B. Alpha, NJ 08865

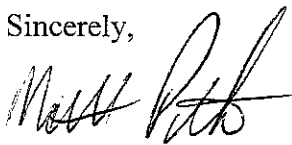

Also, in order to keep pricing down, we are requesting a minimum of 50% down at time of order and the balance at time of shipment. Other terms could be discussed at time of order.

Please contact me at mpeterson@torelco.com and please include "QEG" in the subject line so we can expedite your order.

We will be updating our website with more information soon.

Thank you again for your interest in the QEG project.

Sincerely,

Matt Peterson
